Kiyosaki is the author of this book. # You're not in the middle of the day Item added to your basket"bd_rrp" Robert Kiyosaki, author of Rich Dad Poor Dad - the best-selling international escape that held a top spot on the New York Times best-selling list for more than six years - is an investor, entrepreneur and educator whose prospects on money and invest fly in the face of conventional wisdom. He never had two parents and "Rich Dad" never existed. This book is completely fictional and invented. The choices you make here will be applied to your interaction with this service on this device. It makes you think and question what the financial goals you want to define for yourself in life. Anything written by Kiyosaki is worth reading if you are concerned about your financial future. Er hat f ber 15 b f cher geschrieben und diese mehr al 26 million years of years bad Verkauft. If you read the first book, you will not get nothing new from here. He, practically alone, challenged and changed the way dozens of million, around the world, thinks of money. Communication from your point of view on why 'old' advice - get a good job, save money, damlide, invest in the long run, and diversify it "bad" (both obsolete and defective), Robert gained a reputation for direct conversation, irreverence and courage. The lists that report each other weekly publisher - The New York Times, Business Week, The Wall Street Journal and USA today - and were named "USA Money Book N° 1, two years in a row. He literally continues to repeat: "His house is not an asset" "the philosophy of the rich father is his house is not an asset" "why call your home asset if it costs money" "House is not an asset" " Rich Pai's's philosophy is that your home is not an asset "..... There are currently 26 books in the San Rie Rich Dad. In 2006, Robert joined Donald Trump for co -author because we want you to be rich - two men - a message. Any additional comments? After the war, Robert went to work in sales of Xerox Corporation and, in 1977, started a company that brought the first nylon and velcro 'surfer wallets' to the market. This is not all that you need to know to manage a negotiation, as that would be ridiculous. Kiyosaki's story?
